Where we are and what have we accomplished?, Sarah E. Hill. 34:16-19 Jan. 1960
——. CONSTITUENT ORGANIZATIONS
Component society, Ann Kotsubo. 35:116-119 July, 1961
District trustee, Alberta Beat. 35:115-116 July, 1961
National meeting and the delegate, Margaret S. Hunt. 35:114-115 July, 1961
Structure of organization, Frank F. Lamons. 35:113-114 July, 1961
Survey-Anatomy of constituents, Margaret E. Swanson. 34:66-83 Apr. 1960
——. JUNIOR MEMBERSHIP
Analysis of junior organizations, A. Rebekah Fisk. 33:63-64 Apr. 1959
Junior membership, Lenore S. Disher. 35:119-120+ July, 1961
Utilization of junior membership, Carol Dixon. 33:73-75 Apr. 1959
Value of junior membership, Frances Dolan. 33:60-63 Apr. 1959
Viewpoint in the four-year school, Gail F. McDonald. 33:65-69 Apr. 1959

BIOGRAPHY

Dr. Harold Hillenbrand named honorary member, 35:23 Jan. 1961
Dean Timmons made honorary member, 31:13 Jan. 1957
N.Y. Dental Hygiene Teachers' Association honors member (Henrietta Waters), 31:57 Apr. 1957

CHILDREN—DENTISTRY FOR

Factors influencing dentistry for children, Sheila G. Weil. 35:67-70 Apr. 1961

CHILDREN—MANAGEMENT

Behavior management of child dental patients, Henry Marsh Wilbur. 31:58-61 Apr. 1957

CIVIL DEFENSE

Dental hygienist in a national emergency, Ann Luff. 34:166-167 Oct. 1960

CLEFT PALATE

Dental aspects in speech handicaps, Margaret B. Schiller. 35:171-175 Oct. 1961

COMMUNITY AND SCHOOL DENTAL SERVICE

Role of the dental hygienist in community coordination for dental health, J. M. Wisan. 31:68-70 Apr. 1957

DENTAL HEALTH EDUCATION—MATERIAL AND METHODS

Dental hygienists' introduction, Dolores Wildermuth and Harriet F. Wahlander. 31:75 Apr. 1957
Educational aids for the dental hygienist, R. Roberta Throne. 32:152-157 Oct. 1958
Improve patient education, Beverly Cohen. 31:74-75 Apr. 1957

DENTAL HYGIENE

Courage to be wrong, Marjorie Houston. 35:153-159 Oct. 1961
Dental hygienist recruitment problem in New Mexico, Rhea Meyers. 32:64-67 Apr. 1958
Survey of dentistry report on dental hygienists, Robert G. Kesel and Marilyn Holmquist. 35:9-20 Jan. 1961
View for the future, P. E. Blackerby. 33:116-118 July, 1959

DENTAL HYGIENE—COMMUNITY AND SCHOOLS

Changing concepts of dental health education, Frances A. Stoll. 32:158-161 Oct. 1958

DENTAL HYGIENE—IN OTHER COUNTRIES

Dental hygiene in the Orient, Gail F. McDonald. 35:80-81 Apr. 1961
News from schools around the world, 34:42-43 Jan. 1960
Project Hope reaches Far East, 35:83 Apr. 1961

DENTAL HYGIENE—PUBLIC HEALTH

Role of the dental hygienist in the care of the chronically ill, Frank E. Law. 33:175-178 Oct. 1959

DENTISTRY

Dental public health in the sixties, Betty Krippene. 34:163-165 Oct. 1960

DENTISTRY AND DENTAL HYGIENISTS

As seen by one dental hygienist, Mary Connelly Dresen. 35:184 Oct. 1961

DIET AND NUTRITION

Food quackery, Marjorie Emidy. 35:78-79 Apr. 1961

DIET AND NUTRITION—RELATION TO TEETH

Protective diets or dentures, Dorothea F. Radusch. 31:14-19+ Jan. 1957

EDUCATION, DENTAL HYGIENE

Aptitude testing progress, Janet Burnham. 34:29 Jan. 1960

Educational projects of the American Dental Hygienists' Association, Margaret E. Swanson. 33:189-193 Oct. 1959

Progress report of the achievement testing program, Louise M. Hord. 33:140-141+ July, 1959

Will education meet the demand for dental hygienists?, Margaret E. Ryan. 33:129-134 July, 1959

EDUCATION, DENTAL HYGIENE—CURRICULUM

Public health field experiences for dental hygiene students, Jo Anne Karr, William W. Stiles, Patricia Meyers. 32:68-69+ Apr. 1958

Special course in directed teaching, Carolyn Schmitt. 31:72-73 Apr. 1957

EDUCATION OF PUBLIC

Oral health education for the gerodontic patient, Kumiko Homma and Esther M. Wilkins. 33:10-12 Jan. 1959

Thought about fluoridation, Grace Anderson. 31:74 Apr. 1957

ETHICS

Philosophy of organizational planning, George W. Fotis. 34:8-13+ Jan. 1960

Principles of ethics of the American Dental Hygienists' Association, 32:72-74 Apr. 1958

FIRST AID

First aid in the dental office, Margaret E. Ryan. 31:104-107 July, 1957

FLUORIDES

Present status of fluoride therapy in dental practice, David B. Law. 35:55-58 Apr. 1961

Single stannous fluoride topical treatments, Lillian O. Dahl and Nancy J. Dudding. 33:112-115+ July, 1959

JOURNALISM, DENTAL

Writing for professional publications, Esther M. Wilkins. 35:59-66 Apr. 1961

LICENSURE—HYGIENISTS

Function and usefulness of a national board for dental hygienists from the viewpoint of the dental examining boards, J. L. Champagne. 33:119-122 July, 1959

OCCUPATIONAL DISEASES AND HAZARDS

You cannot afford to be careless with your eyes, Robert A. Winstanley. 32:70-71 Apr. 1958

PATHOLOGY, ORAL

Dental hygienist's responsibility to patients with leukoplakia, Ann Buche. 33:7-9 Jan. 1959

Oral herpes—a review of the literature and the application of theory in dental hygiene, Patricia R. Davidson. 31:99-103 July, 1957

PERIODONTAL DISEASE

Beauty, occlusion and you, Edgar James. 33:179-183 Oct. 1959

Vincent's infection, Gerald P. Ivancie. 35:71-77+ Apr. 1961

PRACTICE, DENTAL

Dental hygienist in a periodontist's office, John S. McKenzie. 32:104-105 July, 1958

Dental hygienist's role in the management of pregnant patients, June H. Maston. 32:57-61 Apr. 1958

Growth of the hygienist in periodontal practice, Dorothy Hard. 32:110-113 July, 1958

How a dental hygienist can assist a periodontist, Erwin M. Schaffer. 32:106-109 July, 1958

How will the dental hygienist meet the demand?, Irene Murphy. 33:123-128 July, 1959

Hygienist in 1961—private practice, George A. Forjohn. 35:121-122 July, 1961

Maintaining an effective recall system, Mildred Holder. 35:165-170 Oct. 1961

Place for the use of medicine in a dental practice, Wallace W. Johnson. 34:114-121 July, 1960

Professional problems of the hygienist, Emile T. Fisher. 34:123-125 July, 1960

Reappraisal of the dental hygiene profession, A. Howard McLaughlin. 31:3-5+ Jan. 1957

PROPHYLAXIS TECHNIQUES

Clinical and etiological aspects of green stain, Norma J. Wells and Esther M. Wilkins. 33:184-187 Oct. 1959

Discomfort during scaling can be reduced, Carolyn A. Gage. 31:157-158+ Oct. 1957

Sensitivity and desensitization of tooth structure, Linda Lee Cleveland. 32:20-22+ Jan. 1958

Sharpening of prophylactic instruments, Henry M. Swenson. 31:6-7+ Jan. 1957

Ultrasonics in dental hygiene, Lucille Koll. 34:60-62 Apr. 1960

PUBLIC HEALTH PROGRAMS—DENTAL

Wisconsin's dental health program, Betty Krippene. 31:8-10 Jan. 1957

PUBLIC RELATIONS

Public relations in dentistry, George M. Clarke. 33:79-82 Apr. 1959

"To see oursels as ithers see us!" Dorothy Noyes. 31:62-67 Apr. 1957

RESEARCH, DENTAL

Dental research at the National Institutes of Health, Seymour J. Kreshover. 35:106-111 July, 1961

STERILIZATION

Necessity for proper sterilization techniques in private practice, Janet R. Dominiak. 31:161-163 Oct. 1957

AMERICAN DENTAL HYGIENISTS' ASSOCIATION

Address of the president—1963, Margaret S. Hunt. 38:27-30 1st Q 1964
Address of the president—1964, Janet Burnham. 39:19-22 1st Q 1965
Membership—are we doing all we can to increase it? Frank F. Lamons. 37:29 1st Q 1963
Membership recruitment—a dentist's viewpoint, C. Gordon Watson. 37:38-42 1st Q 1963
Report on membership committee questionnaire, 38:155-160 3rd Q 1964
——. Constituent Organizations
Creatively planned component and constituent programs, Kay Gandy. 37:30-32 1st Q 1963
Importance of personal contact in membership recruitment, Dell McCormack. 37: 35-38 1st Q 1963
Informational and recruitment publications, Lorraine Fredrickson. 37:32-35 1st Q 1963

ANATOMY, DENTAL

Epithelial attachment—its meaning to dental hygienists, Walter B. Hall. 39:71-76 2nd Q 1965
Review of dental anatomy, Charles Schroeter and Jean T. Hodson. 37:12-28 1st Q 1963

BIOGRAPHY

Honorary member: Miss Gladys Eyrich. 36:68 2nd Q 1962

CALCULUS

New concepts in education, Patricia Leitsch. 39: 161-162 3rd Q 1965
Review of dental calculus for dental hygiene care and instruction, Esther M. Wilkins. 38:9-15 1st Q 1964

CHILDREN—MANAGEMENT

Role of the dental hygienist in the management of the behavior problem child, Adele Edwardsen Rahn. 36:130-131 3rd Q 1962

CLEFT PALATE

Survey of cleft lip and palate, Carol DeCoste Mackay. 37:203-208 4th Q 1963

COMMUNITY AND SCHOOL DENTAL SERVICE

Dental health pilot study. 38:63-66+ 2nd Q 1964

DENTAL HEALTH

Wisdom—skill, is there a pink pill? 39:77-86 2nd Q 1965

DENTAL HEALTH EDUCATION—MATERIAL AND METHODS

Books in dental health education, Harriet F. Wahlander. 39:169-170 3rd Q 1965
Classroom demonstrations, Fritzen H. Dykstra. 38: 67-71 2nd Q 1964

DENTAL HYGIENE

Dental hygienist in a changing environment, John E. Fogarty. 38: 72-75 2nd Q 1964
Dental hygienists' image for professional fulfillment, Robert M. Gibson. 40:80-84 2nd Q 1966
Now or when? Dixie Scoles. 37:197-199 4th Q 1963
Now or when? Karen Smith. 37:196-197 4th Q 1963
Role of dental hygienist in dental research: I, C. Merry Cuttita, Patricia McLean, Austin H. Kutscher. 40:69-71 2nd Q 1966
Statement on the responsibilities and functions of a dental hygienist. 39:11-17 1st Q 1965

DENTAL HYGIENE—COMMUNITY AND SCHOOLS

Mouth protectors and the dental hygienist, Carolyn Young Smart. 37:200-202 4th Q 1963
Psycho-social factors in oral hygiene practice, Regina F. Flesch. 36:163-170 4th Q 1962

DENTAL HYGIENE—IN OTHER COUNTRIES

Dental hygiene in Switzerland, Karoline Becker. 38:197-198 4th Q 1964
Dental hygiene in the United Kingdom, Christina King. 38:201-203 4th Q 1964
Dental hygienist with the Peace Corps, Lynn Stafford. 38:208-210 4th Q 1964
Dental hygienists can fill Peace Corps gap. 36:121-122 3rd Q 1962
Dental nurse, John P. Walsh. 39:142-147 3rd Q 1965
HOPE for Peace, Julie A. Wehrle. 36:132-133 3rd Q 1962
International relations, Report of the Committee, 1964. 39:89-90 2nd Q 1965

Manpower in dentistry—the dental hygienist, Wesley J. Dunn. 36:178-181+ 4th Q 1962
Special report on XIIIth International Dental Congress. 37:94-97+ 2nd Q 1963

DENTAL HYGIENE—PUBLIC HEALTH

Dental hygiene for American Indians, Sharon E. Myers. 38:204-207 4th Q 1964
Dental hygiene for the chronically ill and aged, Frank E. Law. 37:132-134 3rd Q 1963
Public health dental hygiene in Hawaii, Patricia A. Morgan. 39:163 3rd Q 1965
Role of the dental hygienist in health care of the chronically ill, handicapped and aged, Helen C. Sheary. 37:135-140 3rd Q 1963

DENTAL MATERIALS

Dental materials and dental hygiene practice, Frederic Custer. 39:158-160 3rd Q 1965
Some trends in dental materials, Ralph W. Phillips. 38:127-131 3rd Q 1964

DENTISTRY AND DENTAL HYGIENISTS

Expending the services of a dental hygienist, Nancy Bitters and Joan Kline. 38:199-200 4th Q 1964
Future dental manpower workshop, Anne Ragsdale and Frances A. Stoll. 36:126+ 3rd Q 1962
New pathways to health services, Ray H. Elling. 40:138-142 3rd Q 1966
Philosophy of the use of auxiliary personnel, Wesley J. Dunn. 36:63-64 2nd Q 1962

DIET AND NUTRITION

Are candy sales in schools justified? Carlene Millican. 37:67-70 2nd Q 1963
Excessive vitamin intakes, National Dairy Council. 37:141-144 3rd Q 1963
Experience with two methods of dietary analysis, Marjorie E. Newton and Grace K. Anderson, 36:69-72 2nd Q 1962

DIET AND NUTRITION—RELATION TO TEETH

Food, nutrition and dental caries, Abraham E. Nizel. 37:71-78 2nd Q 1963

DISEASES

Cerebral palsy patient, Sharon Sullivan. 40:77-78 2nd Q 1966
Diabetic child, Nancy Harps. 40:74-75 2nd Q 1966
Diabetic dental hygiene patient, Esther M. Wilkins. 36:111-115 3rd Q 1962
Hepatitis—a menace in the dental office, Sally A. Black. 36:73-76 2nd Q 1962
Hepatitis patient, Joanna L. Fagergren. 40:73-74 2nd Q 1966
Stroke victim, Shirley Vieira. 40:78-79 2nd Q 1966
Very obese patient, Barbara Jasper. 40:75-77 2nd Q 1966
You may be seeing syphilis, William J. Brown. 39:154-155 3rd Q 1965

ECONOMICS

Financial planning for future independence, George F. King. 38:136-140 3rd Q 1964

EDUCATION, DENTAL HYGIENE

A.A.D.S. session on dental hygiene education, Patricia A. McCullough. 38:141-145 3rd Q 1964
Activity report, Committee on dental hygiene education. 39:36-37 1st Q 1965
Background of the achievement testing program, A. Rebekah Fisk. 36:10-12+ 1st Q 1962
Current scholarships available in dental hygiene, Martha H. Fales. 38:17-20 1st Q 1964
Dental hygiene at Rangely, W. L. Boozer. 37:214-215 4th Q 1963
Dental hygiene at Westbrook, Philip E. Blackerby. 36:77-80 2nd Q 1962
Dental hygiene curriculum survey summary, Patricia A. McCullough. 39:148-153 3rd Q 1965
Dental hygiene education at West Virginia University—a progressive challenge, Pauline F. Steele. 37:145-151 3rd Q 1963
Dental hygienists—today and tomorrow, Jean Poupard. 40:203-209 1966
Dissolution duration time of a standard lozenge (charm) in normal adults, Austin H. Kutscher, Edward V. Zegarelli, Joseph H. Donofrio, Susan Levin, Patricia Wright. 40:212-213 4th Q 1966
Future training of dental hygienists for an expanding role of service, Frances A. Stoll. 36:65-67 2nd Q 1962
How results of standardized examinations can be of value in curriculum development, Desmond L. Cook. 37:190-195 4th Q 1963
Past, present and future of the dental hygiene aptitude test, Wimburn L. Wallace. 38:191-196 4th Q 1964
Research program for master's candidates in dental hygiene: II, Austin H. Kutscher, Patricia McLean, Edward V. Zegarelli, Meta Goswami. 40:143-145 3rd Q 1966
Research program for undergraduate dental hygiene students: III, Patricia McLean, Austin H. Kutscher, Edward V. Zegarelli, Meta Goswami, C. Merry Cuttita. 40:210-211 4th Q1966
Some problems in the development of a standardized examination in dental hygiene, Desmond L. Cook. 36:17-23 1st Q 1962
Training experience with mentally retarded children, Alice O. Ford. 39:156-157 3rd Q 1965

EDUCATION, DENTAL HYGIENE—CURRICULUM

American Association of Dental Schools meeting, Janet R. Burnham. 36:117-118 3rd Q 1962
Curriculum development in professional education, Ralph R. Fields. 40:12-20 1st Q 1966
Status of dental hygiene education, B. F. Miller. 36:59-62 2nd Q 1962

EDUCATION OF PUBLIC

Frequency of review related to permanency of learning, Richard S. Mackenzie and Nancy McCollum. 40:153-156 3rd Q 1966
Patient education for dental health, Elizabeth M. Warner. 36:123-125 3rd Q 1962
Patients, do you read me? Howard H. Jan. 40:85-91 2nd Q 1966
Rate yourself? Kenneth A. Easlick. 36:29-34 1st Q 1962

ETHICS

Challenge is now, D. Jeanne Bedore. 39:28-34 1st Q 1965

Dental hygiene as a profession, Henry A. Swanson. 39:23-25 1st Q 1965

Ethics and the dental hygiene profession, Maxine Nan Alper. 40:157-159 3rd Q 1966

FIRST AID

Prevention and treatment of dental office emergencies, Edward C. Dobbs. 36:107-110+ 3rd Q 1962

FLUORIDES

Aids to a smoother stannous fluoride treatment, Dixie Scoles. 38:161-162 3rd Q 1964

INSTITUTIONAL DENTAL SERVICE

Dental care for summer campers, Barbara Johanningsmeier. 39:91-92 2nd Q 1965

Incorporation of a dental hygiene program into the routine of a general hospital, Carol Britowich. 36:119-120 3rd Q 1962

Our hands reach out, Ruth Rosten. 40:33-34 1st Q 1966

NATIONAL BOARD

Challenge—are you meeting it? Carolyn Young Smart. 36:171-172 4th Q 1962

National board dental hygiene examinations, Alva S. Appleby. 36:127-129 3rd Q 1962

National board program for dental hygienists, Harry Blechman. 36:13-16 1st Q 1962

Report on the national board, Grace Parkin. 36:175-177 4th Q 1962

PARLIAMENTARY PROCEDURE

Basic parliamentary procedure, C. E. Crandell. 39:207-214 4th Q 1965

PATHOLOGY, ORAL

Myotherapy for the tongue thrust patient, Ann Wells, 39:87-88 2nd Q 1965

Oral cytology, Richard W. Tiecke. 38:146-147 3rd Q 1964

Role of the dental hygienist in tongue-thrust swallowing, Marjorie J. Short. 37:86-87 2nd Q 1963

See the pathology in your mirror, O. Lee Ricker. 37:152-155 3rd Q 1963

Tetracyclines and their side effects, Lillian O. Dahl and Janet Shumate. 40:29-32 1st Q 1966

PERIODONTAL DISEASE

Emotional stress as an etiological factor in periodontal disease, Bonnie J. Buchanan. 40:21-23 1st Q 1966

PRACTICE, DENTAL

Clinical examination and observation techniques, Patricia Franklin and others. 37:211-213 4th Q 1963

Effective recall system, Margaret Anne Ward. 40:24-26 1st Q 1966

Home dental care and the dental hygienist, H. Barry Waldman. 40:27-28 1st Q 1966

Public relations in the dental office, Barbara E. Paige. 37:209-210 4th Q 1963

Use of the dental hygienist in periodontic practice, Marjorie Houston. 39:214-219 4th Q 1965

PROPHYLAXIS TECHNIQUES

Clinical observations of a new polishing agent for dental prophylaxis, Frances A. Stoll. 37:79-81 2nd Q 1963

Instrumentation: hand and mechanical, Norman A. Korn. 38:21-23 1st Q 1964

Role of an ultrasonic unit in a public health or school health program, Barbara E. Ashby. 36:159-162 4th Q 1962

PUBLIC RELATIONS

Sharing and searching, Russell Haney. 39:203-206 4th Q 1965

What do we talk about? Vida L. Sloan. 40:146-152 3rd Q 1966

ROENTGENOLOGY—DENTAL

Our favorite Martian, Belle Fiedler. 38:211-212 4th Q 1964

Radiation reduction in dental roentgenography, Barbara Schwartz. 36:173-174 4th Q 1962

Safety factors in dental roentgenographic procedures, Ursula C. Schwerin. 38:132-133 3rd Q 1964

TOOTHBRUSHING AND TOOTHBRUSHING TECHNIQUE

Home care procedures in oral hygiene, Henry M. Swenson. 37:82-85+ 2nd Q 1963

Manual toothbrush and use of other aids, Major M. Ash, Jr. 38:78-81 2nd Q 1964

Toothbrushing aids for handicapped children, Barbara A. Bush. 38:76-77 2nd Q 1964
